

# première marble mosaics

The Tile Mob at Mitchelton proudly introduces the **première** series of specialty marble mosaics. This all new selection includes: Herringbone Pattern (sheet size 278x281mm), Basket Weave Pattern (sheet size 305x305mm) and Penny Round (sheet size 305x305mm). The types of exquisite natural marble used in these mosaics are: **Carrara, Nero Marquina, Crema Marfil, Travertine** plus **Light and Dark Emperador**.

These mosaic sheets are a great addition to our Art Deco collection of tiles and can be used as a feature on the wall or on the floor to give era-authenticity. For further information, contact our Brisbane Tile Showroom or via email.
