

# concretion series

Uniqueness sometimes emerges from chance encounters, from the interplay of technologies and materials, and from the passage of time. The Tile Mob Pty Ltd introduces such tiles to you in the Concretion series. This porcelain tile collection takes the worn look of aged concrete and links fresh design concepts that create a refined urban vibe. Exposed aggregates, and an authentic colour range replicate the look of concrete that has been walked on thousands of times – with multiple sizes so this tile can be used almost anywhere. This series is available in 5 colours with an R10 matt finish (sizes 300x300mm, 600x600mm plus a 400x800mm in Oyster only) and lappato finish (sizes 600x600mm plus Oyster in 400x800mm). Contact us or visit our Mitchelton showroom to experience the new Italian Concretion series.

NB: colours are depicted as accurately as printing process allows. All quotes, samples, enquiries and sales are made subject to our standard conditions published in detail at [www.tilemob.com.au/conditions](http://www.tilemob.com.au/conditions). E.&O.E.
